
FRENCH

Year 7 & 8

Topics Studied:

During year 7 students study 6 different topics in French including sport and hobbies, school, house and home and family. Students will begin to write in paragraphs, give detailed answers when speaking, and develop the skills of listening, reading and translation.

During year 8 students study 6 different topics including daily routine, food and a visit to Paris. Students will write in paragraphs using different tenses, give more detailed answers with opinions when speaking, and continue to develop the skills of listening, reading and translation.

Subject specific websites to support revision and independent learning:

BBC Bitesize (KS3 French)
Linguascope (Beginners)

Additional Information:

Students are issued with a study booklet at the start of the year.
