

YEAR 11

MATHS, ENGLISH AND SCIENCE
INFORMATION EVENING

Mathematics

The new grading structure is being introduced, from grade 9 to 1, to replace the familiar A* to G grading scale. 9 will be the highest grade, 1 the lowest.

How is it assessed?

100 % exam

Three papers each 80 marks

Each paper 1.5 hours

Date of exam

24th May

7th June

12th June

Grades available

Higher 4-9

Foundation 1-5

Grade 7 anchored to a grade A

Grade 4 anchored to a grade C

Tier of Entry

Grades available

Higher 4-9 and Foundation 1-5

Crossover grade 4 and 5 (4 is equivalent to a grade C)

Review assessments and exam papers.

Mock in November , and a mini exam in Jan and another full mock in March.

Final decision needs to be made by Wednesday 21st March

Suggested tier of entry for March mock exam in your packs but final tier of entry may change in light of mock grade from March paper.

What is new?

More demanding for everyone

The volume of subject content has increased for both tier

More difficult topic introduced

The total time for the examinations is increasing, from 3 ½ hours to 4 ½ hours

In the assessments there's a greater emphasis on problem solving and mathematical reasoning

Students will be required to memorise formulae – fewer formulae will be provided in examinations

Parent guide on our website with additional information on the new changes.

Approximately 10 teaching weeks
left till their first exam....

How do I revise?

HIGHER - Grades 4 – 9

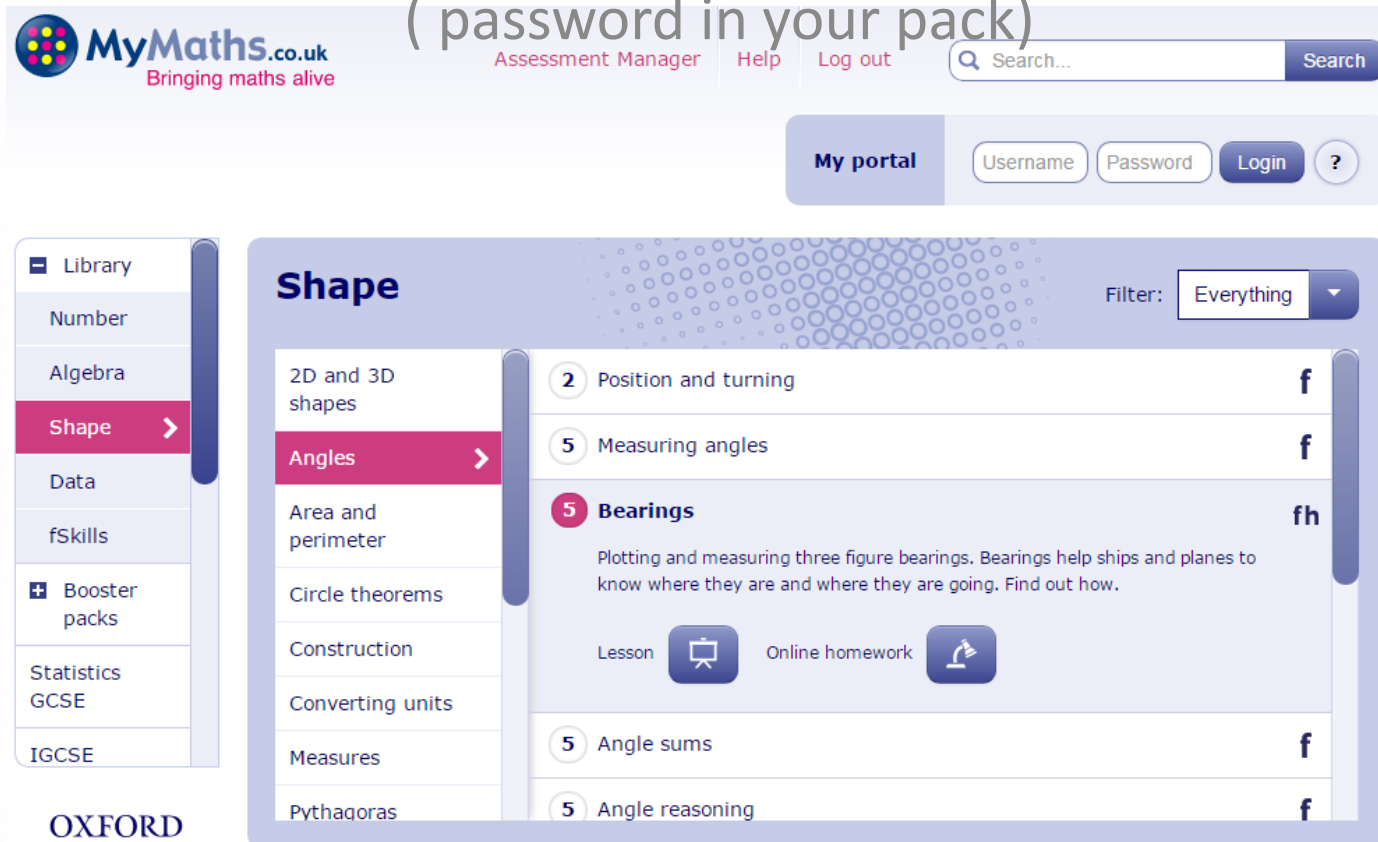

Algebra

I can do this	Grade	Title
	9	Approximate solutions to equations using iteration.
	9	Equation of a circle
	9	Equation of a tangent
	8	Algebra and Proof
	8	Gradients and area under a graph
	8	Graphs of trigonometric functions
	8	Quadratic equations (completing the square)
	7	Composite functions
	7	Expand the product of two or more binomials
	7	Factorising difficult quadratic expressions
	7	Geometric Sequences
	7	Graphs of exponential functions
	-	Quadratic equations (needing

I can do this	Grade	Title
	6	Quadratic equations (graphical methods)
	6	Represent linear inequalities
	6	Simultaneous equations (linear)
	5	Algebraic argument
	5	Algebraic terminology
	5	Cubic and Reciprocal graphs
	5	Deduce quadratic roots algebraically
	5	Derive an equation
	5	Equation of a line
	5	Expand the product of two binomials
	5	Factorising quadratic expressions
	5	Fibonacci, quadratic and simple geometric sequences
	5	Graphical solution to equations
	5	Inequalities on number lines
	5	Linear equations
	5	Quadratic graphs
	5	Reciprocal real-life graphs
	5	Simplify indices

Students should be using MyMaths.co.uk to help them revise
(password in your pack)

The screenshot shows the MyMaths.co.uk website. At the top, there is a navigation bar with links for 'Assessment Manager', 'Help', and 'Log out'. A search bar is also present. Below this is a login section with fields for 'Username' and 'Password', and a 'Login' button. On the left, there is a 'Library' sidebar with categories like 'Number', 'Algebra', 'Shape', 'Data', 'fSkills', 'Booster packs', 'Statistics GCSE', and 'IGCSE'. The 'Shape' category is selected, showing a list of topics: '2D and 3D shapes', 'Angles', 'Area and perimeter', 'Circle theorems', 'Construction', 'Converting units', 'Measures', and 'Pythagoras'. The 'Angles' topic is further expanded, showing a list of sub-topics: 'Position and turning', 'Measuring angles', 'Bearings', 'Angle sums', and 'Angle reasoning'. The 'Bearings' topic is highlighted, showing a description: 'Plotting and measuring three figure bearings. Bearings help ships and planes to know where they are and where they are going. Find out how.' Below this, there are icons for 'Lesson' and 'Online homework'.

A LITTLE BIT OF MATHS EVERY DAY ...

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY												
FEBRUARY '18			1 Write 72 as a product of its prime factors	2 Convert the below fraction to a % $\frac{2}{5}$	3 A cube has a surface area of 36cm^2 What is the volume of the cube? 													
5 I have 6 red pens, 4 blue pens and 3 green pens. What is the probability of choosing a green pen?	6 Share £360 in the ratio 1:3:5	7 Solve $2(4x - 4) = 4$	8 Without a calculator work out 537.4×4.8	9 Without a calculator $\frac{3}{7} \times 420$	10 Alan, Bob and Carl play football. Alan has scored 8 more goals than Carl. Bob has scored 5 more goals than Alan. Altogether they have scored 72 goals. How many goals did they each score?													
12 If Emma travels 10 miles in 20 minutes how many miles will she do in 1 hour 30 minutes?	13 Factorise fully $5xy + 10y^2$ Expand $4(2m + 1)$	14 Solve $5x + 1 > x + 13$	15 Write 4.31×10^{-3} as an ordinary number.	16 Solve by factorising. $x^2 + 8x + 15 = 0$	17 Complete this table for $y = 2x - 3$. <table border="1" data-bbox="1269 786 1636 866"><tr><td>x</td><td>0</td><td>1</td><td>2</td><td>3</td><td>4</td></tr><tr><td>y</td><td>-3</td><td></td><td>1</td><td></td><td>5</td></tr></table>	x	0	1	2	3	4	y	-3		1		5

SUPPORT THAT IS AVAILABLE FOR YOUR CHILD IN MATHS

- Every Thursday night at 2.55pm maths staff are available to help
- An additional mock exam will be held later this term (March)
- Extra revision sessions organised from February
- Birmingham University Revision days
- Revision books/guides/discs available to purchase
- Revision timetable
- On our website number of exam papers/resources
- If you require any more information please contact your child's class teacher in first instance.

a.ashton@fairfax.bham.sch.uk (Director of Faculty - Mathematics)

a.rose@fairfax.bham.sch.uk (Subject Leader - KS4 Mathematics)

English

Director of Faculty – Mrs K Ford
k.ford@fairfax.bham.sch.uk

Year 11 Intervention – Miss S Ahmed
s.ahmed@fairfax.bham.sch.uk

In English all students follow the same pathway:-

GCSE English Language – AQA

<http://www.aqa.org.uk/subjects/english/gcse/english-language-8700>

AND

GCSE English Literature – AQA

<http://www.aqa.org.uk/subjects/english/gcse/english-literature-8702>

There is only one level of entry – papers aren't tiered.

Key Dates

GCSE English Language

Paper 1 - 5th June – 1 hour 45 minutes (am)

Paper 2 - 8th June – 1 hour 45 minutes (am)

GCSE English Literature

Paper 1 – 22nd May – 1 hour 45 minutes (am)

Paper 2 – 25th May – 2 hours 15 minutes (am)

Outline of Course

GCSE English Language

Assessments

All texts in the examination will be unseen.

Paper 1: Explorations in Creative Reading and Writing

What's assessed

Section A: Reading

- one literature fiction text

Section B: Writing

- descriptive or narrative writing

Assessed

- written exam: 1 hour 45 minutes
- 80 marks
- 50 % of GCSE

Questions

Reading (40 marks) (25 %)

– one single text

- 1 short form question (1 x 4 marks)
- 2 longer form questions (2 x 8 marks)
- 1 extended question (1 x 20 marks)

Writing (40 marks) (25 %)

- 1 extended writing question (24 marks for content, 16 marks for technical accuracy)

Paper 2: Writers' Viewpoints and Perspectives

What's assessed

Section A: Reading

- one non-fiction text and one literary non-fiction text

Section B: Writing

- writing to present a viewpoint

Assessed

- written exam: 1 hour 45 minutes
- 80 marks
- 50 % of GCSE

Questions

Reading (40 marks) (25 %)

– two linked texts

- 1 short form question (1 x 4 marks)
- 2 longer form questions (1 x 8, 1 x 12 marks)
- 1 extended question (1 x 16 marks)

Writing (40 marks) (25 %)

- 1 extended writing question (24 marks for content, 16 marks for technical accuracy)

Non-examination Assessment: Spoken Language

What's assessed

(AO7 – AO9)

- presenting
- responding to questions and feedback
- use of standard English

Assessed

- teacher set throughout course
- marked by teacher
- separate endorsement (0 % weighting of GCSE)

Outline of Course GCSE English Literature

Assessments

All assessments are closed book: any stimulus materials required will be provided as part of the assessment.

All assessments are compulsory.

Paper 1: Shakespeare and the 19th-century novel

What's assessed

- [Shakespeare](#)
- [The 19th-century novel](#)

How it's assessed

- written exam: 1 hour 45 minutes
- 64 marks
- 40% of GCSE

Questions

Section A Shakespeare: students will answer one question on their play of choice. They will be required to write in detail about an extract from the play and then to write about the play as a whole.

Section B The 19th-century novel: students will answer one question on their novel of choice. They will be required to write in detail about an extract from the novel and then to write about the novel as a whole.

+ Paper 2: Modern texts and poetry

What's assessed

- [Modern texts](#)
- [Poetry](#)
- [Unseen poetry](#)

How it's assessed

- written exam: 2 hour 15 minutes
- 96 marks
- 60% of GCSE

Questions

Section A Modern texts: students will answer one essay question from a choice of two on their studied modern prose or drama text.

Section B Poetry: students will answer one comparative question on one named poem printed on the paper and one other poem from their chosen anthology cluster.

Section C Unseen poetry: Students will answer one question on one unseen poem and one question comparing this poem with a second unseen poem.

Macbeth
Shakespeare

The Sign of The Four
Conan Doyle

An Inspector Calls
J B Priestley

AQA Past and Present Anthology
Power and Conflict

Revision Sessions and Additional Support

We run additional sessions on Tuesday in C8 and Thursday in A11 between 2.50pm and 3.50pm. Sessions are targeted and are run on an invitation basis.

In addition, students can support their revision by referencing homework set on *Show My Homework* and revision booklets on the school website.

What can we do at home?

Revise using AQA sample questions AND mark schemes:-

GCSE English Literature

Teaching from: September 2015

Exams from: June 2017

Specification code: 8702

QAN code: 601/4447/6

We have worked closely with teachers to design our English Literature specification to inspire, challenge and motivate every student, regardless of ability level.

A range of texts is included to cater for the needs of teachers and students in all educational contexts. There are texts that will be familiar, as well as new ones that will inspire young readers.

It's fully co-teachable with GCSE English Language, so students will benefit from the transferable skills.

[Specification >](#)

[Specification at a glance >](#)

[Specimen papers and mark schemes >](#)

[Download specification](#)

GCSE English Language

Teaching from: September 2015

Exams from: June 2017

Specification code: 8700

QAN code: 601/4292/3

Our specification is designed to inspire and motivate your students, providing appropriate stretch and challenge whilst ensuring that the assessment and texts are, as far as possible, accessible to all students.

It enables your students to develop the skills they need to read, understand and analyse a wide range of different texts and write clearly.

We've developed two equally-balanced papers, each assessing reading and writing in an integrated way.

[Specification >](#)

[Specification at a glance >](#)

[Specimen papers and mark schemes >](#)

[Download specification](#)

What can we do at home?

Revise using free revision resources provided:-

LANGUAGE PAPER 1

In the exam there will be two sections:

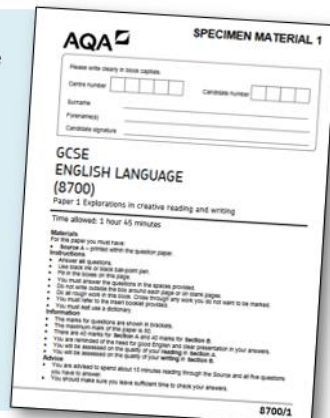

Section A: Reading

1 fiction text
4 questions

Section B: Writing

Choice of 2 questions

It will take **1 hour 45mins.**

LANGUAGE PAPER 2

In the exam there will be two sections:

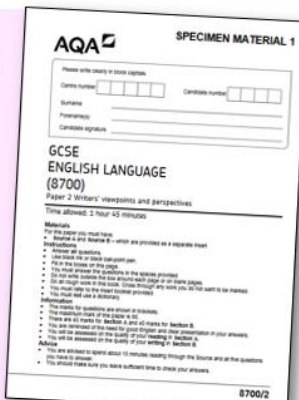

Section A: Reading

2 non-fiction texts
4 questions

Section B: Writing

1 question

It will take **1 hour 45mins.**

What can you do at home?

Revise using revision guides which can be purchased by Parent Pay.

Books already ordered will be issued as soon as they arrive.
Please note, set texts are also available to purchase.

Finally...

Science

Acting Director of Faculty – Mr. Steeden
m.steeden@fairfax.bham.sch.uk

In Science students follow one of the following pathways:-

Either

Separate science (3x GCSE's – Biology, Chemistry and Physics)

Or

Combined: Trilogy (2x GCSE's – Science)

Separate science

3x GCSE's over all three sciences. Each examination lasts 105 minutes.

Combined: Trilogy

2x GCSE's over all three sciences. Each examination lasts 75 minutes.

The new grading structure is being introduced, from grade 9 to 1, to replace the familiar A* to G grading scale. 9 will be the highest grade, 1 the lowest.

GRADES AVAILABLE

Higher tier 4-9
Foundation tier 1-5

ROUTE & TIER OF ENTRY

Route and tier of entry decision can be found in the exam packs.

Any queries should be made to Mr. Steeden by 8th February.

What is new?

- More demanding for everyone.
- The volume of subject content has increased for both routes.
- More challenging topics introduced from A-level.
- Questions based on skills developed from the required practical's taken by all students.
- No coursework.
- The total time for the examinations is increasing. Separates – from 9 hours to 10.5 hours. Combined – From 6 hours to 7.5 hours.
- Students will be required to recall equations for physics – fewer equations will be provided in examinations (all equations to recall are found in the back of workbooks).
- Greater demand on mathematical skills over all three sciences.

What can you
do at home to
support with
structured
revision?

Revise using
the all in one
revision guides
which can be
purchased via
parent pay.

Topic
checklists are
on Show My
Homework,
which show
if content is
found on the
separates/
combined
route and
H/F tier.

PAPER 2:

Unit 5: Homeostasis and response

		TF	TH	SF	SH
Homeostasis	Homeostasis				
The human nervous system	Structure and function (The human nervous system for Trilogy)				
	The brain				
	The eye				
	Control of body temperature				
Hormonal coordination in humans	Human endocrine system				
	Control of blood glucose concentration				
	Maintaining water and nitrogen balance in the body				
	Hormones in human reproduction				
	Contraception				
	The use of hormones to treat infertility				
	Negative feedback				
Plant hormones	Control and coordination				
	Use of plant hormones				

Science intervention timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
BEFORE SCHOOL 8:00 – 8:30am		Mr Steeden – GCSE Biology/Physics B14	Miss Webber – GCSE Combined biology – B19		Mr Porter – GCSE Chemistry B4 Mrs Hilliage – GCSE Chemistry drop in session B17
TUTOR TIME 8.35-8.55am					
LUNCHTIME 1:20 – 1:50pm	Mrs Hilliage – GCSE Chemistry drop in session B17 Mr Hill – GCSE Physics drop in session B6 (from Feb ½ term)		Mr Cropper – GCSE Physics drop in session B13 (from Feb ½ term)	Mr Cropper – GCSE Physics drop in session B13 (from Feb ½ term) Mr Steeden – GCSE Biology drop in session B14 (from Feb ½ term)	Mr Harwood – Y11/13 Chemistry drop in session B17 Mr Hill – GCSE Physics drop in session B6 (from Feb ½ term)
AFTER SCHOOL 2:50 – 3:50pm			Miss Webber – GCSE Combined biology B19	Mr Carty – GCSE Chemistry B8 Mrs Hilliage – Y12/13 Chemistry drop in session B17	

Students should be using kerboodle to help them revise independently. All details on how to log on are on SMH.

General Revision – Advice

1. Identify areas of concern
2. Revise that content
 - a) Find the information
 - b) Transform the information (Do something with it)
3. Test yourself

*Confidence level 1-10 with 10 being the most confident with your own subject knowledge of the topic

Biology	Confidence level before revision (1-10)*	Revised Once (✓)	Confidence level after revision (1-10)*	Revised for a second time (✓)	Confidence level after revision (1-10)*	Revised for a third time (✓)	Confidence level after revision (1-10)*	Revised for a fourth time (✓)	Confidence level after revision (1-10)*
B2.1 – CELLS AND SIMPLE TRANSPORT									
B2.2 – TISSUES, ORGANS AND ORGAN SYSTEMS									
B2.3 – PHOTOSYNTHESIS									
B2.4 – ORGANISMS AND THEIR ENVIRONMENT									
B2.5 – ENZYMES AND DIGESTION									
B2.6 – AEROBIC AND ANAEROBIC RESPIRATION									
B2.7 – CELL DIVISION AND INHERITANCE									
B2.8 – SPECIATION									

PiXL Knowledge: Diagnosis, Therapy & Testing

Name of the area that I am working on: _____

Name: _____

Class: _____

Task: _____

Diagnosis: 1 Thing I didn't understand

(Name the questions you got wrong or the areas you struggled with)

Therapy: Where am I going to learn about this?

Which of the templates will I use to transform this information?

Test: 5 questions someone can ask me about my new understanding.

Fill up the boxes below with everything you know about the topic!

1. _____

-
-
-
-
-
-
-
-
-

2. _____

-
-
-
-
-
-
-
