

FREE

TEACHER SUBJECT SPECIALISM COURSE IN PHYSICS AND MATHEMATICS

ARE YOU:

an existing teacher who would like to add secondary Mathematics or Physics to your teaching skills?

OR

a Headteacher who needs to increase Mathematics and Physics teaching capacity?

Does your Science team have no Physics teachers?

We're offering a **FREE NCTL approved course** designed for existing teachers to train and feel confident teaching Physics or Mathematics at KS3. There is the option to gain Master credits at Keele University.

TRAINING WOULD INCLUDE:

- **30 hours** of guided learning
- **6 twilight sessions** delivered by subject specialists
- **6 face-to-face** days delivered by SLEs
- **Access to online materials**, lesson plans and quality resources
- **Personal tutor** contact
- Certificate of completion
