

Interested in Engineering?

Ever thought about Civil or Structural Engineering?

Civil engineers
design the world
we live in

- Roads
- Bridges
- Dams/Tunnels
- Waterways

Are you good at maths, problem solving, being creative or like to know how things work?

Then try your hand at being a Civil Engineer and see if this could be the career for you

Enter our

Civil Engineer's Bridge Building Competition.

Launch date

January 2019

or see Mr Hill or Mrs Knowles
for more details
