WELCOME - *CEO of the Trust*

Dear Candidate

Firstly, thank you for considering joining one of the Academies within the Fairfax Multi-Academy Trust (FMAT).

Fairfax Multi-Academy Trust was established in 2014 and is grounded in the values, established over 60 years ago, of the founding MAT School – Fairfax.

I joined Fairfax in 2007, and like you, had a choice about where to work. I came to Fairfax because I believed in its values: tradition; excellence; ambition; dedication; integrity. Gordon Philpott, the founding Head Teacher of Fairfax, was passionate about social mobility. He believed that all of his pupils, many of whom would be considered disadvantaged today, deserved nothing less than excellence. I knew there was no better school to join if I wanted to make a difference. It is the very same inspiration that continues to drive our teachers, leaders, governors and support staff across the Trust today. We are looking for individuals who share our drive and ambition to make a difference to the lives of our pupils.

I do hope you find this pack informative, and I look forward to hearing from the Head of Academy about your application. You will be joining an organisation that can offer you many opportunities to progress and make a difference!

Yours sincerely

WELCOME – *Head of Academy*

Dear

Candidate

Thank you for your interest in Fairfax, and a warm welcome from everyone connected with Fairfax Academy.

I am incredibly proud to be the Head of Fairfax Academy. The Academy's values are built around hard work and opportunity; we believe that every child attending Fairfax will have the chance to thrive in an atmosphere where high expectations meet endless possibilities.

The Academy enjoys excellent examination results at both GCSE and Post-16; a result of our commitment to our motto 'Sinceritas Laboris' there is dignity in labour! The Academy's experienced staff are knowledgeable and skilled and ensure that every child, regardless of starting point, is supported to optimise his/her academic achievements.

Our House system is at the heart of the school and has been in place for the best part of 60 years. This commitment to our school traditions ensures that every child has the opportunity to participate in activities that develop him/her as a person. Such activities include our annual Eisteddfod, Duke of Edinburgh's Award Scheme, local and national sporting events and many artistic performances.

My personal philosophy is that every student should leave high school proud of the young adult they have become. I believe this can be achieved by ensuring all our students meet high expectations whether it be in punctuality, behaviour, courtesy or class work. The Academy aims to promote a sense of pride in students, through students taking personal responsibility in delivering excellence! We are Fairfax and we are proud of it!

Yours sincerely

Deborah Bunn
Head of Academy

CONTEXT - *Our school*

Fairfax Academy is much larger than the average comprehensive school. It serves the area of Sutton Coldfield which has retained two selective grammar schools. The proportion of students with special education needs is below average. However, the proportion with a statement of special educational needs is much higher than average because the school manages specially provision for students with a range of physical disabilities. The proportion of students known to be eligible for the pupil premium is average, as is the percentage of students from minority ethnic groups.

This is an exciting time to join the Mathematics faculty, and a great opportunity to be involved in the next stage of development of this strong team within Fairfax Academy. Over the last few years, there has been a real drive to improve consistency and raise the quality of learning through formative assessment, improved differentiation techniques and closing the pupil premium gap. This is an ideal opportunity for a colleague who is ambitious, creative and enthusiastic about helping students to learn in a strong supportive environment.

Maths is a popular Faculty as reflected in the number of students choosing to study Mathematics at Advanced level. The post offers teaching across the age and ability range. The Mathematics faculty currently has 13 teachers and is mostly situated in one teaching block.

Mathematics Curriculum

We have a two year KS3 programme and an exciting Scheme of Work to develop Maths learning skills to prepare them for courses in KS4.

At GCSE, students are currently prepared for Foundation and Higher Levels offered by Edexcel examination board. Maths groups are structured to allow teaching to be targeted at particular levels.

Fairfax offers Advanced Level Mathematics and Further Maths. We currently prepare students for the Edexcel examination, and with changes to A'level this is an exciting time to join the team.

We have many resources for making lessons interesting and relevant including starter activities, mini-whiteboards. We firmly believe in offering a well-structured revision programme for exam groups and as such our results have been significantly above national standards.
