

Subject	Suggested Activities that Year 11 could be doing in preparation for starting an A Level in your subject in September.
	<p>Below is a reading list that will help students with transition into key stage 5 physics. Each book contains subject content, questions and answers. My suggestion would be to start with Head start to A level Physics and move on from there.</p> <p>At the bottom of the list there is guidance as to how to log onto kerboodle, our online resource, which can also help with preparation.</p>
