

Ref DJB/AQG/Letters/June Update 4 Y11 & 13 a

24 June 2020

Dear Parent/Carer

Please be advised that 26 June 2020 would have officially been the end of the summer 2020 examination series, and as such the date that your child would have officially 'left' Fairfax Academy. Therefore, we no longer require your child to complete the weekly 'Keeping In Touch Survey'.

However, should you or your child need support, the Fairfax Academy team are still here to offer any advice or guidance we can. This includes access to careers guidance.

Please be advised that further guidance regarding results day will follow along with arrangements for leavers to access their lockers and return text/library books.

It is still our intention to celebrate our students' time at Fairfax Academy when we are able to do so, but currently mass gathering guidance prevents us from doing so.

Thank you for your ongoing support, it is most appreciated.

Yours sincerely

MRS D J BUNN
Head of Academy
