

Face Masks – Wear it well

The government advice is:

- that facemasks **should not** be worn within school (if you are wearing a mask to school, you will be asked to remove it at the school gate)
- The only exception within school is for first aid.
- That you **must** wear a face covering / mask if you are travelling on public transport eg the bus.

How to wear a face mask safely:

- 1) Face masks **must** only be worn once. Once taken off they are no longer safe to use.
- 2) If your mask is reusable then it should be stored in a sealed plastic bag until it has been washed.
- 3) If it is a disposable face mask then it must be placed into the bins provided as you enter school.
- 4) Clean face masks should be kept in sealed plastic bag for your journey home.
- 5) To wear a face mask correctly you need to:
 - Wash your hands first.
 - Make sure it covers your nose and your mouth and is fastened securely around your ears.
