

VIRTUAL EISTEDDFOD

2020

PROGRAMME
THURSDAY, 17 DECEMBER

 **FAIRFAX**
SINCERITAS LABORIS

Welcome to The Eisteddfod VIRTUAL

A very warm welcome to our annual Eisteddfod for 2020-21.

Participation at Fairfax exemplifies the academy's ethos and long-standing tradition and I would like to congratulate all students who have taken part in any aspect of The Eisteddfod. This year has presented more challenges than usual, but team Fairfax have risen to the challenges presented by Coronavirus and we are delighted to be able to offer our first ever virtual Eisteddfod. With our theme of VIRTUAL we hope to take you on a journey through your screens.

Heads of House, Assistant Heads of House and Year 7 Tutors have been working with students to prepare for this very special event, but the students have worked hardest of all completing entries from their bedrooms.

The Eisteddfod is a 60-year tradition at Fairfax and we are delighted to be able to offer our version of the event in these incredibly unusual times.

All that remains is for me to ask you to do is grab a cuppa, put your feet up and enjoy Fairfax tradition mixed with Fairfax innovation. For one night only, Fairfax is excited to present Fairfax's VIRTUAL big night in!

With my very best wishes for the festive season, stay safe.

Kind regards

MRS D J BUNN

COVENTRY HOUSE Play

Play Synopsis:

It is the Year 3000 and a new console game has just come out. However, a crazy scientist creates a new technology which physically places you inside the game, much like Jumanji.

This game is no ordinary game...

This is the game of 2020...but not as we know it.

During this play we will follow the journey of 3 characters (two of these students were isolating at home) and how they get through the various levels of life.

Each level will present new characters and new personalities for those who enter the game. They will have sneak peaks at the back stage of a concert, have a go at the Olympics, go on holiday as politicians, and sit dreaded exams.

How will they do?

What if 2020 went differently?

KENILWORTH HOUSE Play

Play Synopsis:

In the Year 2020 Kenilworth show how communities and families have come together virtually.

Our Gogglebox presenter will take you into three living rooms where you will witness how different generations have 'learned' how to use technology to stay in contact with their loved ones.

Firstly, we are taken to Kenilworth Care Home where WiFi is being installed for the first time. This leads to Grandad Nigel's first call with his Grandson, Fred.

Next, we get a glimpse into the home of Mr and Mrs Lovell who are attempting their first *TimeFace* with their family in Yorkshire.

Finally, we get to see how Joe Wicks kept the nation fit during Lockdown.
