

## Home study – year 9

### French

You should use your active learn log ins to revise all topics from studio module 2 – pages 30 – 35 of the foundation book. Log in as you would normally, then go onto library instead of tasks to find the book and the pages.

### German

You should use your memrise log ins to revise leisure time activities and sport so that you will be able to complete a written milestone on your return to school. If you cannot access memrise, you can use [Linguascope.com](https://www.linguascope.com/) (Fairfax/ goldfish20)
