

Self- isolation work for KS3 RE – Fairfax School

In preparation for GCSE RE, it is very useful for students to identify themselves with Islam as it makes up 50% of the content of the course we follow here at Fairfax (the other 50% being Christianity).

Please find attached PDF documents containing two items of work that introduce key aspects of Islam:

1. What is Islam? – students can complete all the tasks on p5
2. What is a Muslim? – students can complete all the tasks on p7

This should take approximately 60-90 minutes.
