

Ref DJB/AQG/Letters/7 Parent Carer Y9

29 June 2021

Dear Parent/Carer

We are very sorry to advise that, due to the high number of staff being contacted by Track and Trace, unfortunately we require Year 9 students to work remotely on:

- Wednesday, 30 June
- Thursday, 1 July
- Friday, 2 July

Work will be delivered remotely and students should access Show My Homework and Teams for their lessons.

GL Assessments will be re-arranged for when students return to the Academy.

We understand that this is frustrating and appreciate your support in ensuring your child maintains their focus by attending their lessons and working hard for the remainder of the week.

Yours sincerely

**MRS D J BUNN**  
**Head of Academy**
