Dear Parent/Carer

**RE: FIRST DOSE COVID VACCINATION**

Please be advised that Fairfax Academy has received notification that the first dose of the vaccination for eligible students will be available at the Academy on Tuesday, 9 November and Thursday, 11 November.

Fairfax Academy will act as a venue only for the administration of the vaccination and, as with any other vaccine, queries should be directed to the Childhood Immunisation Team.

Further information regarding the Covid vaccination can be found at [Coronavirus \(COVID-19\) vaccination - NHS \(www.nhs.uk\)](https://www.nhs.uk/coronavirus/covid-19/vaccination).

I will write again when the Academy receives further information regarding consent, timings and process.

Yours sincerely

**MRS D J BUNN**  
**Head of Academy**
