3 March 2022

Dear Parent/Carer

This week at Fairfax has been a focus week titled 'Respect Matters'. During the week, we have reminded students of the importance of our ARKS respect value and that being respectful at Fairfax means:

- Demonstrating good manners to staff, students and visitors
- Looking after the school environment and keeping it tidy
- Speaking to people with courtesy and respect both in school and in the community
- Being considerate of others' personal space

Students have been asked to reflect on how they demonstrate these expectations along with considering the phrase 'expect respect, give respect'.

As part of our focus on respect, the value of kindness has also been considered and students have received anti-bullying assemblies, reminding them of the importance of being kind, and using the school systems in place to report any incidents that do not meet our values of kindness or respect. Around school we have shared a number of quotes with our students that you can view on our Academy social media. Please take time to discuss this week's activities, assembly and quotes with your child.

Thank you for your ongoing support.

Yours sincerely

MRS D J BUNN
Head of Academy
