Dear Parent/Carer

RE: RAMADAN

As Ramadan has begun, we are aware that some of our students may be fasting and would be most grateful if you could complete and return the reply slip below marked FAO Mrs Mace, via the Student Support Office, if that is the case for your child, so that staff at Fairfax are aware.

Could you please signify in the reply slip whether you give permission for the academy to provide your child with water should he/she become ill or show signs of dehydration during the day. Parents/carers are advised that where they choose not to give permission for the academy to provide water to their child, the academy will contact them to collect and take their child home should they become ill.

Please be advised that the academy will be following the local authority guidance and our students that are fasting will complete PE lessons that have been modified to be less strenuous. Students should still bring their PE kit and expect to take part.

Yours sincerely

MRS D J BUNN
Head of Academy

PERMISSION SLIP FOR FASTING – FAO MRS MACE (via Student Support Office)

I _____ the parent/carers of _____
in class _____ ask that you allow my child to fast.

Please delete as appropriate:

In case of any health issues or emergency, I **agree/disagree** to school giving water.

I can be contacted on this phone number in an emergency _____

Signed (Parent/Carer) _____ Date: _____
