and learning materials with students.	and learning materials with students.

Year	8
------	---

Tonics studied
Topics studied: Autumn 1 Earth Processes
Spring 1 Population
Summer 1 Africa
Keywords/Skills that students should know by the end of Year 8:
Map skills: O/S 6 grid reference, scale
Data skills: climate graphs, population pyramids, GIS
Key Words: plate boundary, constructive, destructive, conservative, convection
currents, igneous, metamorphic, sedimentary, weathering, desertification, leaching,
misconception, population, dense, sparse, urban, rural, migration, push & pull factors
To help your child this year in Geography you can:
Have a world map on the wall at home, talk about places you have been or that are
in the news, ask them to explain what they have learned in lessons.
Subject specific websites to support revision and independent learning:
Websites:
Bitesize Geography KS3 http://www.bbc.co.uk/education/subjects/zrw76sg
Oak Academy Geography lessons for Key Stage 3 students - Oak National Academy (thenational.academy)
Mapzone http://www.ordnancesurvey.co.uk/mapzone/
Newsround http://www.bbc.co.uk/newsround
Klds Geo http://www.kidsgeo.com/
Geograph Geograph for Schools :: Geograph Britain and Ireland
How stuff works (search topic, eg migration) <u>http://science.howstuffworks.com/life/evolution/human-migration1.htm</u>
Apps – GeoBee Challenge,
Youtube Channels: BBCEarth, MinuteEarth,
Recommended reading:
Some available to borrow from the geography department, all easily availed from
high street book shops and online.
Horrible Geography collection (various titles), Anita Ganeri
Mission Explore, The Geography Collective
Prisoners of Geography: Our World Explained in 12 Simple Maps, Tim Marshall
The travel book – A journey through every country in the world, Lonely Planet Kids
The big earth book, Lonely Planet Kids
The cities book, Lonely Planet Kids
A Really Short History of Nearly Everything, Bill Bryson
The Explorer, Katherine Rundell
Call of the Wild, Jack London
Additional Information:
Students will complete fieldwork outside the classroom, on the school site.
Teachers will use Show My Homework & Teams to communicate and share web
and learning materials with students.

Taxian Chudiad
Topics Studied: Autumn term: Resources & Trade
Spring term: China & its neighbours
Summer term: World Biomes
Keywords/Skills that students should know by the end of Year 9:
Map skills: topographic maps, land use maps
Data skills: pie charts, desire lines, choropleth maps, annotation
Key Words: trade, import, export, interdependence, globalisation, resource,
depletion, supply, demand, biome, food chain, food web, producer, consumer,
decomposer
To help your child this year in Geography you can:
Have a map of the world on the wall at home, have an atlas available to refer to. Ask
students to explain features you see around you – 'why is there a waterfall here?',
"why is there a new cinema here?"
Encourage an interest in the news and talk about news with a geographical theme
Subject specific websites to support revision and independent learning:
Websites:
Bitesize Geography KS3 http://www.bbc.co.uk/education/subjects/zrw76sg
Oak Academy Geography lessons for Key Stage 3 students - Oak National Academy (thenational.academy)

Call of the Wild, Jack London
Additional Information:
Students will complete fieldwork outside the classroom, on the school site.
Teachers will use Show My Homework & Teams to communicate and share web
and learning materials with students.

Topics Studied:
Autumn term: Rivers,
Spring term: Urban Environments,
Summer term: Natural Hazards + Fieldwork (visit to river and urban area)
Exam Board: AQA
Assessment structure:
3 exams at end of course (May-June Y11)
Keywords/Skills that students should know by the end of Year 10:
Keywords: abrasion, attrition, hydraulic action, suspension, solution, traction,
saltation, corrosion, rural-urban migration, urbanisation, industrialisation,
deindustrialisation, post-industrial, redevelopment, gentrification, Richter scale,
Mercalli scale, Saffir-Simpson scale, preparedness, prediction, mitigation,
adaptation, immediate & long term response,
Skills: Measures of central tendency – mean, median, mode, percentage change,
choropleth maps, desire lines, field sketches, dispersion graphs, data collection
techniques, Drawing and interpreting complex graphs, drawing and annotating
sketch maps and field sketches, reading maps
To help your child this year in Geography you can:
Have a map of the world on the wall at home, have an atlas available to refer to. Ask
them to explain features you see around you – 'how is this area at risk from
erosion?', "why do we get these storms but not Hurricanes here?"
Encourage an interest in the news and talk about news with a geographical theme
Subject specific websites to support revision and independent learning:
Websites:
AQA Geography: AQA Geography GCSE Geography
BBC Bitesize http://www.bbc.co.uk/schools/gcsebitesize/geography/
The Oak Academy Geography lessons for Key Stage 4 students - Oak National Academy (thenational.academy)
Seneca Learning Seneca - Learn 2x Faster (senecalearning.com)

S-Cool http://www.s-cool.co.uk/gcse/geography
Internet Geography http://www.geography.learnontheinternet.co.uk/
Apps: BBC GCSE Bitesize, Seneca Learning, GCSEPod,
YouTube: Planet Lacey, Time for Geography, Geography Hawks, I'm Stuck – GCSE
Revision
Recommended subject guides:
Recommended: Hodder GCSE 9-1 Geography AQA Revision Guide, available from
school via ParentPay
Alternative: CGP GCSE 9-1 Geography AQA Revision Guide
Useful: CGP Grade 9-1 GCSE Geography AQA Revision Question Cards
Additional Information:
Students are required to complete at least 2 sessions of fieldwork byond the school
site for GCSE.
Teachers will use Show My Homework & Teams to communicate and share web
and learning materials with students.
and rearning materials with students.

Taniaa Oludiada
Topics Studied:
Autumn term: Coast, Resource Management
Spring term: The living world, The Challenge of Economic Development,
Summer term: Revision (including analysis pre-release information for paper 3)
Exam Board:
AQA
Assessment structure:
3 exams at end of course (May-June Y11)
Keywords/Skills that students should know by the end of Year 11:
Keywords: mass movement, weathering, cliff, wave-cut platform, cave, arch, stack, stump, longshore drift, swash, backwash, spit, bar, tombolo, hard engineering, soft engineering, surplus, deficit, water security, energy mix, water transfer, efficiency, undernutrition, agribusiness, ecosystem, development gap, development indicator,
primary, secondary, tertiary industry, colonialization, aid, fairtrade, ecotourism, Skills: OS mapskills, demographic transition, population pyramids, pie charts, proportional symbols, flow lines, climate graphs, interpretation of field data, complex data handling
To help your child this year in Geography you can:
Have a map of the world on the wall at home and an atlas available to refer to. Quiz students on their learning, maybe using questions from their revision guide. Provide materials and help them make flashcards for revision. Allow them to put revision
· · ·
materials, e.g. mind maps/keywords on their walls.
Encourage an interest in the news/current affairs and talk about news with a
geographical theme
