

COMPASSIONATE COMMUNITIES

Volunteer Role

Have you got a passion for building relationships within your community to reduce social isolation and loneliness?

Can you help us connect with people who may regularly reach out to those experiencing:

- Bereavement
- End of life care
- Caring for loved ones with life-limiting illnesses

Community Connectors Needed!

"Compassion is like the air we breathe"

We're looking to create a network of community connectors who will support the wellbeing of their community through compassionate conversations.

Community connectors are people who:

- Are good listeners and want to support other people
- Know what is going on in their community
- Regularly speak to others and find that conversations often lead to sharing life's ups and downs

Come along to our launch event or contact us to find out more!
