Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process are documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to.
- the workforce is well informed and supported.
- all centre staff involved in the exams process clearly understand their roles and responsibilities.
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times.
- exam candidates understand the exams process and what is expected of them.

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

This policy can be found in the Policies area of the Staff Handbook on TEAMS. A hard copy will be held in the Exams Office. Relevant information will be included in the Invigilator Handbook and will also feature in the Exams Handbook which will be available for students to access on the school website.

Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ General Regulations for Approved Centres booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments. (GR, section 1)

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The headteacher/Principal on site (the head of centre) may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles. The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. (GR, section 2)

Head of centre responsibilities

The **head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. **It is the responsibility of the head of centre to ensure that all staff comply with the instructions in the** (*Instructions for conducting examinations*) **booklet.** Failure to do so may constitute malpractice as defined in the JCQ publication *Suspected Malpractice: Policies and Procedures, 1 September 2023 to 31 August 2024*:

 - the secure room only contains exam-related material.
 - there are between two and six keyholders only, each keyholder must fully understand their responsibilities as a key holder to the secure storage facility.

The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility (last updated 24 August 2023 to include)
www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility

Access Arrangements Policy

The centre's Access Arrangements Policy can be found in the Policies area of the Staff Handbook on TEAMS and a hard copy is kept in the exams office

Conflicts of interest

- Ensures the relevant awarding bodies are informed before the published deadline for entries for each examination series of any potential conflict of interest where:
 - a member of centre staff is taking a qualification at the centre which includes internally assessed components/units (noting that being entered by the centre must be as a last resort where unable to find an alternative centre)

 - a member of centre staff is taking a qualification at another centre.

Conflicts of Interest Policy (Exams)

The centre's Conflict of Interest Policy (Exams) can be found in the Policies area of the Staff Handbook on TEAMS and a hard copy is kept in the exams office.

Estimated entries

Exams officer

- Requests estimated or early entry information, where this may be required by awarding bodies, from HoDs in a timely manner to ensure awarding body external deadlines for submission can be met.

Estimated entries collection and submission procedure

Information about courses being examined the following academic year is requested from teaching staff in July each year. This includes exam board, course title, QAN code, units and estimated number of candidates. This information helps for the Exams Overview. In September, estimated entries (where required) are sent to exam boards via their secure websites.

- Observes each awarding body's terms and conditions for the entry and withdrawal of candidates for their examinations and assessments, and observes any regulatory requirements for the qualification.

Final entries collection and submission procedure

Exam entry datasheets are created on Bromcom using class lists, usually in January. They are used to make provisional entries that are printed off and handed to subject leaders for checking and signing. A spreadsheet of all classes records when datasheets have been created, numbers checked and returned by teaching staff, as well as any queries.

Students receive a 'Default Timetable' listing their entries and are asked to check and contact the Exams Officer with any queries before initial submissions are made.

Entry submissions are created in Bromcom and sent off via A2C. The first submission for each exam board is an 'entry submission'; all subsequent ones are 'amendment submissions'.

Entries and amendments made after the exam board deadline require the authorisation, in writing, of the Vice-Principal responsible for exams.

Senior Leaders

- Provides information requested by the EO to the internal deadline.
- Informs the EO immediately, or at the very least prior to the deadlines, of any subsequent changes to final entry information, which includes.

Entry fees

GCSE and GCE exam entry fees are paid by the centre and allocated to the exams budget. The Exams Officer can provide an estimate of the budget based on the Exams Overview in the Autumn term.

Candidates or parents/carers will not be charged for changes of tier or withdrawals made by the proper procedures or alterations arising from administrative processes provided these are made within the time allowed by the awarding bodies. The Exams Officer will publish the deadline for actions well in advance for each exam series.

Late entry or amendment fees are paid by the centre, the department or the candidate depending on the circumstance.

Fee reimbursements may be sought from candidates:

Certificates

Certificates are provided to centres by awarding bodies after results have been confirmed.

Certificate Issue Procedure and Retention Policy

Students are informed on results day about when certificates will be available and warned that any uncollected certificates will be destroyed after twelve months. In fact, we keep them for around three years before destroying them. Certificates from the previous summer series will be kept on reception or in the sixth form. Certificates from previous series are kept in the exams office until they are destroyed. A record is kept of all destroyed certificates. We send the certificates of current students over to sixth form, where they are asked to sign on collection. All remaining certificates are left on reception, along with a sheet to sign.

Certificates can be collected on behalf of a candidate by third parties, provided they have written authority from the candidate and bring suitable identification to verify their identity.

Candidates

- May arrange for certificates to be collected on their behalf by providing the EO with written or email permission/authorisation; authorised persons must provide ID evidence on collection of certificates
