Dear Parent/Carer

As part of our Fairfax Kindness Counts Week which takes place between 18<sup>th</sup> -22<sup>nd</sup> May, we are celebrating the positive impact that kindness, support, and compassion have across our school community.

We know that members of staff can make a real difference to students and families through their encouragement, care, patience, and support. We would therefore like to invite parents and carers to nominate members of Fairfax staff who you have had positive interactions with or who have made a positive impact on your child or family.

This could be a member of teaching staff, support staff, pastoral staff, office staff, site staff, or any other member of our school community.

You may wish to recognise someone who has:

- gone above and beyond to help,
- shown kindness and understanding,
- supported your child during a difficult time,
- helped your child feel included or confident,
- or consistently demonstrated care and positivity.

Please submit your nomination using the Microsoft Form or QR code below:

Selected comments may be shared anonymously during our Kindness Counts celebrations and with staff to recognise the important difference they make every day.

Thank you for your continued support in helping us promote kindness, respect, and inclusion across our Fairfax community.

Kind regards
